

A group of people, including children and adults, are posing in front of the Cinderella Castle at Disney World. The castle is a large, ornate structure with blue-roofed spires and white stone walls. The people are dressed in casual attire, and some are wearing Mickey Mouse ears. The scene is set against a clear blue sky.

# UK HOLIDAYS

Our UK holidays are the perfect way to spend some quality time with your friends and enjoy days out to local attractions and the seaside.

This year we will be staying at 3 different holiday parks, which will have cabaret entertainment followed by a disco every night! These are the ideal holidays if you want to go away with a larger group of friends and if you love day trips and partying.

We will also be returning to Center Parcs where we will be staying in chalets surrounded by nature. This holiday will offer a more relaxed feel for those that like active days and cosy nights in.

After last year's very successful inaugural camping trip, we will be returning to Frylands Wood to spend a long weekend living, eating and sleeping outdoors!
